# DESIGN WITH ÜCRĒATĒ® [DakotaClosets.com/UCreate](https://DakotaClosets.com/UCreate)

Take the guesswork out of your project with the ÜCrëatë® Closet Planner. See your closet before you buy, stay on budget, and get a complete materials list and floor plan to keep you organized.

# WALK-IN & REACH-IN CLOSETS

Mount your closet on the wall to easily store hampers, luggage, and shoes beneath

Full access corners maximize storage with no dead space

Use 12" shelves to organize smaller items, shoes, and more

Extendable rods allow for custom widths with no cuts and can be mounted to a wall or upright

# STORAGE AROUND THE HOME

Transform your office into a clutter-free, efficient workspace

Adjustable shelves keep pantry items visible, organized, and easy-to-reach

Not enough closet space? A wardrobe is a great solution to neatly store your clothes and accessories

Keep your entryway tidy by storing coats and accessories neatly in the closet

Modular design allows you to update your kids' playroom as they grow and keep toys, crafts, and books off the floor

# FEATURES & ACCESSORIES

Matching doors and drawers for concealed storage options that look clean and tidy

Pre-drilled uprights make adjusting the height of shelves, wardrobe rods, and accessories fast and easy

A touch of luxury with soft close doors and drawers

Maximize the corners with hanging or shelving sections

Baskets come in two heights: 7"H and 18"H, a perfect addition to any design

The pull-out tie rack is a great way to keep your ties organized and looking sharp

For easy access and convenience store slacks, trousers, and jeans on the pull-out pants rack

Wardrobe rods come in 24" and 36" widths as well as two extendable sizes: 11-5/8" — 20" and 20" — 36"

The pull-out valet rod comes in a chrome finish and has a replaceable knob to allow for personalization

Add a pull-out belt rack to have a simple storage solution for up to nine belts

# PLAN YOUR SPACE

## How To Plan Your Space

Below are some general vertical spacing recommendations for different articles of clothing.

- 1 Plan approximately 35" for shirts
- 2 Short dresses need approximately 51-1/2"
- 3 Garments such as long coats or dresses need up to 75"
- 4 Plan approximately 24" for hanging pants on a pants rack

# INSTALLATION METHODS

## Floor Standing

### More Storage Space

- Ability to use 86-1/2" uprights offers more room for shelves, drawers, and accessories

### Easy Installation

- Install with one L-Bracket atop each section, fastened to a stud

### Built-In Look

- Pre-notched uprights fit around baseboard moulding up to 5" H

## Wall Mounted

### Space Saving Design

- Maximizes floor space
- Easy to clean underneath
- Storage for large items below

### Easy Installation

- Hung on a hang track with one hang bracket per upright
- Easy leveling

### Versatile For Any Room

- Mount it at any height
- Works around moulding, vents, and other obstacles
